## Local regulations

### SAFETY INSTRUCTIONS:

There are a number of potholes between Downton (1.9 miles) and Lymington (5 miles), the Highways Authority are aware and these may be filled in by the time of the event. One nasty one near Everton Hyundai garage was obscured by shadows when I recce'd it. Riders must take care in navigating the one way systems in Lymington and Lyndhurst, and be aware of pedestrians in built up areas.

SAFETY HELMETS and working rear lights are now mandatory.

DUTY OF CARE. The primary 'duty of care' rests with the riders. It is their responsibility to comply with traffic law and regulations; the Highway Code and the risk assessment. Failure to comply renders a rider liable to disqualification and possible further disciplinary action. Observe the measures taken by the Highways Authority to reduce risks and conflict with other road users, and ride in a manner that is safe for yourselves and all others. Accept that you participate at your own risk and rely on your own ability and judgement in dealing with all hazards.

Please read the course description carefully and take note of the safety information therein.

No warming up on the course, Caird Avenue is ideal for this.

Covid 19 restrictions are in force so there will be no presentation, competitors should arrive shortly before their start time and must warm up on the road. (No turbos). Please maintain social distancing and bring your own pen for signing in and out. There will be no pusher off and numbers at the start will be restricted. You may wait across the road in Ashington Park prior to the start if you wish.

Toilets will be available in the scout hut and must be used in accordance with Covid 19 guidelines.

Car parking is available around the scout hut and adjoining offices of New Milton Sand and Ballast Company but competitors must not gather in groups but leave as soon as possible after the event.
